

## Community Vision Survey

**This is a Community Vision so we want to hear from you, share your ideas today!**

Council is entering an exciting time as it sets out to create a 10-year Community Vision as well as a 4-year Council Plan, incorporating Municipal Health and Wellbeing Plan.

As part of this process, Swan Hill Rural City Council is working with RMCG to gather local community feedback on what would make Swan Hill Municipality a great place to live, both now and in the future.

Now is the chance for ALL community members to have their say – and help shape our community for our future.

Council wants to hear your aspirations and visions for our municipality, as well as any challenges you face and what ideas you might have to overcome these.

The feedback and ideas you provide will create the Community Vision, guiding the Swan Hill Region into the future. In addition, the new Council Plan (2021-2025) will outline strategies to move towards the Community Vision creating a healthy, vibrant and prosperous community for everyone.
